Chairman James Coleman called the June 24, 2014 meeting of Laurens County Council to order at 5:30 p.m. in the Council Chambers of the Historic Laurens County Court House. Chairman Coleman reported that the husband of Clerk to Council Betty Walsh had suffered a heart attack and he is in the Self Regional Hospital in Greenwood.

Council Member Diane Anderson delivered the Invocation, followed by the Pledge of Allegiance to the Flag.

AGENDA FOR THE JUNE 24, 2014 MEETING OF COUNCIL- On a motion by Vice Chairman McDaniel and a second by Councilman Tollison, Council approved the agenda on a vote of 7-0.

MINUTES OF THE JUNE 10, 2014 MEETING OF COUNCIL- On a motion by Councilman Nash and a second by Vice Chairman McDaniel, Council approved the Minutes of a vote of 7-0.

Council then engaged in a series of public hearings and votes, concluding with the approval of the FY 2014-15 county budget and a supporting ordinance and resolution.

PUBLIC HEARING, LAURENS COUNTY ORDINANCE # 767, FY 2014-15 County Budget- Chairman Coleman opened a public hearing for the referenced ordinance. No one wished to speak and the Chairman closed the public hearing.

Public Hearing, Ordinance # 769- "An Ordinance to Amend Ordinance # 465 Providing for the Use of the maximum legal percentage of Local Option Sales Tax Funds for the Fiscal Year 2014-15' And to further Use and Apply funds for the Purpose of Revenue Shortfalls in Laurens County and Other Matters Appertaining Thereto."

Chairman Coleman opened the public hearing on the referenced Ordinance. No one wished to speak and the Chairman closed the public hearing.

THIRD READING APPROVAL, ORDINANCE # 769- Chairman Coleman then called for a motion to approve Ordinance 469. On a motion by Council member Anderson and a second by Councilman Pitts, Council approved the Ordinance on a vote of 7-0 on third reading.

Chairman Coleman asked whether any county departments had requests for adjustments to the 2014/15 county budget.

Sergeants Veal, Holmes and Crockett of the Laurens County Sheriff's Department requested that Council consider adding \$5,000 to the Sheriff Department's Budget to fund the Department's Special Operations Response (SORT) Team. Sergeant Matt Veal said the SORT team is composed of 12 deputies in the Sheriff's Department who train for and respond to SORT activities. The SORT members also perform regular duties for the Department and SORT activities are in addition to their regular duties. The SORT team also requires special equipment for their activities.

Sergeant Crockett said the major emphasis for the SORT team is safety, for team members, for subjects that the Team may have to arrest and for the public. Sheriff Ricky Chastain also appeared before Council in support of the request, adding that his Department is seeking the establishment of a permanent line item in the Department's annual budget for the Team.

Following Council discussion, Councilman Wood made a motion that Council allocate \$5,000 to the SORT team program for FY 2014-15 budget. On a second by Councilman Nash, Council approved the allocation on a vote of 5-2. Council member Anderson and Vice Chairman McDaniel voted in opposition.

Chairman Coleman said the funds for the SORT team will be transferred from the budget's Contingency Fund to the Sheriff Department's budget, so there will be no net increase in the budget. A copy of the information accompanying this request is included as part of these Minutes.

Major Chris Hudson, the director of the Johnson Detention Center, requested that Council approve the transfer of \$14,000 from the Detention Center's Overtime Account to the Part-time account. Major Hudson said his department needs the transfer for security work at the Hillcrest Square court facility.

Following Council discussion, Councilman Pitts made a motion approving the transfer of \$14,000 from Account 523-13000 (overtime) to account 523-11010 (Part-time salaries) in the departmental budget. On a second by Council Member Anderson, Council approved the transfer of funds on a vote of 7-0.

APPROVAL OF RESOLUTION 3 2014-14- " A Resolution of Laurens County Council to Apply, Assign, Allocate, Transfer Use of \$1,020,000 Accumulated Pursuant to Ordinance #654 to the General Fund for the Period of July 1, 2014 to June 30, 2015; and Other Matters Related Thereto."

On a motion by Councilman Pitts and a second by Councilman Tollison, Council approved the Resolution on a vote of 7-0.

THIRD READING APPROVAL, LAURENS COUNTY ORDINANCE # 767, the Laurens County General Fund and accompanying budgets for FY 2014-2015.

On a motion by Council Member Anderson and a second by Councilman Pitts, Council approved the referenced Ordinance on a vote of 7-0.

Administrator Segars advised Council of the following expenditures for the FY 2014-15 county budget:

General Fund	\$21,747,215
EMS	\$3,485,458
Victim's Assist	\$183,661
Solid Waste	\$1,964,227
<hr/>	
Total-	\$27,380,559

PUBLIC HEARING- Laurens County Ordinance # 768, "Providing a Special Education Appropriation for Fiscal Year 2014-2015

Chairman Coleman opened the Public Hearing for the referenced Ordinance. No one wished to speak and the Chairman closed the public hearing. Ordinance 768 allows a one-mill tax levy for the support of certain institutions of Higher Learning in the county. According to the Ordinance as approved on two readings, Piedmont Technical College would receive 90% of the funds generated by the levy and USC Union at Laurens would receive 10%.

No one wished to address Council and Chairman Coleman closed the public hearing.

Third Reading, Ordinance 768- Council member Anderson made a motion to approve the Ordinance on third reading. Councilman Pitts offered a second to the motion,

Councilman Pitts then offered an amended motion that would allocate the first \$50,000 collected through the levy to the "Life Scholarship" program recently presented to Council that would provide funding assistance to Laurens County students attending Piedmont Technical College. The remaining funds generated by the levy would be divided, with 90 % to Piedmont Technical College and 10% to USC Union at Laurens.

Councilman Wood offered a second to the motion. In support of his motion, Councilman Pitts said his proposal could be accomplished without a tax increase and would allow Laurens County Council to "track" the funds allocated for higher education.

Following Council discussion, Council approved the motion on a vote of 5-2, with Chairman Coleman and Council Member Anderson voting in opposition.

APPROVAL OF RESOLUTION #2014-13- " A Resolution Authorizing the Execution and Delivery of an Inducement Agreement by and between Laurens County, South Carolina and Project Bulldog, Whereby Under Certain Conditions, Said Company Will Acquire, by Construction and Purchase, Certain Property in Laurens County and Laurens County will execute Fee-in-Lieu of Tax Arrangements and Provide Certain Economic Development Inducements to Project Bulldog and Execute Certain Documents and Enact Certain Further Legislation for Said Company's Project Involving Three Million Dollars (\$3,000,000) in Total Investment and Other Matters Related Thereto."

County Attorney Sandy Cruickshanks and Attorney Tom Martin of the McNair Law Firm explained that the project will involve a three million dollar investment at a local company. Twenty additional jobs are also included in the project. Mr. Martin explained that there will be additional agreements that will be presented to Council for approval as the project proceeds.

On a motion by Councilman Tollison and a second by Councilman Nash, Council approved the resolution on a vote of 7-0.

APPOINTMENT TO THE BOARD OF DIRECTORS. LAURENS COUNTY DISABILITY AND SPECIAL NEEDS BOARD- On a motion by Councilman Pitts and a second by Councilman Wood, Council voted 7-0 to approve the nomination of Ms. Maureen Tiller of Clinton to the referenced Board.

REPORT FROM THE COUNCIL COMMITTEE ON HEALTH, WELFARE AND EMERGENCY SERVICES- Council Member Anderson, Committee Chair

Committee Chair Anderson reported that the Committee had met prior to the Council meeting on June 24, 2014 and discussed a draft Provider Network Agreement that had been prepared by Laurens County EMS Director Chad Burrell and County Attorney Sandy Cruickshanks. The Committee had met previously to review the draft and had made certain recommendations for modifications to the Agreement. At the instruction of the Committee Director Burrell also submitted the Agreement to the EMS Management Division at the SC Department of Health and Environmental Control (DHEC) for review. The DHEC staff also recommended certain changes to the document.

The modifications to the document submitted by the Committee and DHEC are included in the draft approved by the Committee and the Committee voted unanimously to submit the final draft to County Council for final approval.

Council called on Director Burrell to review the document and to respond to questions from Council members. Mr. Burrell stated that the primary purpose of the Agreement is to insure that other ambulance providers, both public and private, meet Laurens County EMS and/or SC DHEC requirements in the event that Laurens County EMS requests "back-up" assistance from the ambulance companies. Mr. Burrell said that the Laurens County EMS is the only ambulance provider in the county that can respond to emergency calls, utilizing emergency lights and siren.

Other providers can utilize these emergency measures, if requested by Laurens County EMS staff through the county's emergency dispatch system. In response to a questions from Council, Mr. Burrell said that there are likely five to six ambulance units currently providing service in Laurens County. Two

of these services, Mobile Care of the Greenville Hospital System and Hayes Ambulance Service have business locations in the county.

In response to another question, Mr. Burrell said that the public/private ambulance providers would not be contacted on a "rotating basis" because the request will be based on service availability as well as capability.

A recommendation from a Council Committee does not require a motion and a second. Council approved the Provider Network Agreement on a vote of 7-0. Councilman Wood, a member of the Committee requested that Council receive a report in one year on the effectiveness of the program. A copy of the Agreement is enclosed as part of these Minutes.

PUBLIC COMMENT

Chairman Coleman opened a 15-minute period for Public Comment,

George Estes, a resident of the Western Laurens area, said that Council had been discussing since 2002 the need for the location of a Transport EMS station in the western part of the county. Mr. Estes said he appreciated the county's efforts to bring in other providers to assist the county EMS, but he urged Council to look at options to construct a station in the western area of the county or to realign existing transport stations to provide more timely response to emergency calls in that area.

James Hayes of Hayes Ambulance Service said he strongly disagrees with the Provider Network Agreement and that his company will not sign the agreement.

Steve Henderson of Clinton said that his family had used Hayes Ambulance Service to transport his wife during a medical emergency. He said that he was very pleased with the service and he requested that the county make access to Hayes Ambulance Service available through the county's E-911 system.

Sheriff Ricky Chastain advised Council that Major Chris Hudson will leave his position as the administrator of the Laurens County Detention Center at the end of July. The sheriff has selected Captain Joe Tyson to replace Major Hudson. Sheriff Chastain commended Major Hudson for his many years of service to Laurens County.

ADMINISTRATOR'S REPORT- Administrator Segars said that the county had hosted a pre-bid conference for contractors interested in submitting bids for the Administrative offices that will be constructed at Hillcrest Square. That meeting was held on June 17, 2014. Sixteen contractors attended the meeting, along with several local sub-contractors. The county will receive bids on the project on Tuesday, July 1, 2014 at 2 p.m. at the Church Street Office complex.

COMMENTS FROM COUNCIL MEMBERS

Councilman Pitts said that he also valued Major Hudson as a county department head who performed well in a very difficult assignment. Major Hudson also had managed to lower his department's budget through good management. Councilman Pitts also complimented Finance Director Lisa Kirk,

Minutes/ June 24, 2014/Page 6

Administrator Segars, county department heads and all members of Council for their hard work in completing the 2014-15 county budget.

Vice Chairman McDaniel also congratulated Major Hudson for his service to the county and he expressed his appreciation to those attending the Council meeting.

Councilman Wood expressed his appreciation to Major Hudson for his years of service. He also requested that the Laurens County Probate Judge be allowed to hire a new employee funded through the new budget as quickly as possible to relieve some of the backlog in the Probate Court.

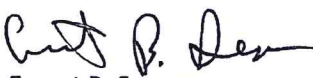

Councilman Nash complimented the many poll workers involved in the Democratic and Republican primaries and the primary run-off elections in the county.

Councilman Tollison also commended Major Hudson for his very effective management of the Detention Center. He also made a recommendation that, in the future, County Council establish a funding cap for Special Appropriations and that agencies/organizations can submit applications to receive a portion of that funding.

Chairman Coleman thanked Council members and staff for the work on the new county budget during very austere economic times. The Chairman said it is the intent of Council to make Laurens County a better place, but the Council and staff must work with available resources in that effort.

The meeting was adjourned at 7:10 p.m.

Respectfully submitted,

Ernest B. Segars

Laurens County Administrator

Laurens County Special Operations Response Team (SORT) Budget

June 25, 2014

The Laurens County Sheriff's Office Special Operations Response Team (SORT) is an elite group of 12 highly trained and motivated deputies that has served the citizens of Laurens County since 2007. The deputies that have been selected for SORT perform duties that require specialized skills, training, and equipment. Tasks such as high risk search warrants, narcotics search warrants, barricaded subjects, hostage situations, search and rescue, active shooter response, and other critical incidents are all within the scope of incidents SORT is utilized. SORT trains on a bi-weekly basis to ensure members assigned to the team are proficient in the skills needed to perform the above stated missions. With the need for such specialized training and skills comes specialized equipment, not utilized by other deputies in the Sheriff's Office. Equipment needs, such as the ones listed below, are necessary to ensure SORT maintains the highest level of operational readiness at all times.

Weapons: AR-15 Style Rifles costing \$2,000 each (including the rifle, sights, sling, and flashlight)

In addition to the standard issued Glock Model 23, SORT utilizes AR-15 style rifles to ensure that the team is prepared for any contingency/mission. These rifles require maintenance and occasional repair. The current rifles, in service since 2007, are requiring more and more servicing to keep them at operational readiness standards.

Ammunition: .223/.40 caliber ammunition costing nearly \$5,000

To maintain the highest proficiency levels (and for liability standards), SORT members are required to practice weapons proficiency more than is required for other members of the Sheriff's Office. This additional weapons proficiency is an invaluable tool in reducing potential liabilities.

Cameras: The addition of helmet mounted cameras for members of SORT would be a tremendous benefit for liability, court, and training purposes. These helmet mounted cameras cost \$300 each. In addition to these helmet mounted cameras, specialized "Pole Cameras" would allow SORT members to view a room without putting themselves in the direct line of fire, thus reducing liability and ensuring officer safety. The cost of these highly specialized cameras is approximately \$500.

Uniforms: Each member of SORT wears a separate tactical uniform that includes a tactical shirt, tactical pants, and boots. The total cost to outfit each member's uniform is approximately \$300.

In addition tactical clothing, each member wears a tactical holster, tactical belt, ballistic helmet, ballistic eye protection, and gloves. These pieces of equipment cost approximately \$1500 per member.

Specifically, the ballistic helmets currently fielded have been in use since 2007. National Standards governing ballistic level rated equipment require such equipment be replaced every 5 years.

Specialized Equipment:

Taser rounds for shotgun: \$75 each
Distraction Devices: \$75 each
Tear Gas rounds: \$ 50 each
Battering Rams and Window Breaks: \$300 each
Targets for training: \$200 (metal and paper targets)

SORT utilizes a number of non-lethal and discretion devices to provide a greater range of options for how to deal with specific situations as well as increase officer safety, in addition to the safety of the public. Distraction devices, such as Flash-Bangs, are used when gaining entry to a room/ building to distract suspect(s) attention away from officers entering the room. Currently SORT has depleted their supply of Flash-Bangs which from an operational standpoint increases liability and officer safety risks.

This equipment is essential for the Laurens County Sheriff's Office and SORT to execute the missions tasked to them as well as ensure the safety of the officers involved and the citizens of Laurens County. Since 2007, SORT has been funded through what is left over from other budgets. After hundreds of successful missions, we ask for consideration in allotting money for this specific unit of the Sheriff's Office. The continued success of SORT is vital to the Laurens County Sheriff's Office as well as to the citizens of Laurens County.

- WORKING AMBULANCE means an ambulance that is eligible to work 911 EMS Service in Laurens County under guidelines set by SCDHEC Regulation 61-7.

REFERENCES TO LAW OR REGULATION: Any law, statute, ordinance, regulation, or similar provision referenced in this Agreement shall include any applicable amendment, revision, replacement, or successor provision that may be or may become effective during the term of this Agreement.

Section 2. EMS Service:

- a. When requested by the LAURENS COUNTY EMS Supervisor, Provider will provide a Working Ambulance and Standard Staffing for Ambulance meeting the requirements and standards set forth in this Agreement that will respond, when available to emergency calls in the Primary Area when dispatched by Dispatcher and be subject to direction by the LAURENS COUNTY EMS Shift Supervisor on duty at the time of such calls and responses.
- b. Primary communications between Dispatcher and Provider will be via phone lines and/or Laurens County EMS designated VHF frequencies only. Communications between Laurens County EMS and Provider will be relayed through the Dispatcher or directly via designated VHF frequencies.
- c. A copy of the SCDHEC Run Report shall be completed on each emergency call by Provider and a copy provided to LAURENS COUNTY EMS within forty-eight (48) hours during weekdays and seventy-two (72) hours during weekends and holidays. Any calls involving deaths, negative results, complaints, or similar incidents shall be reported to the EMS Shift Supervisor within four (4) hours of such occurrence.
- d. Following a request to post a unit in service for 911, Provider will notify the Dispatcher as soon as it has a Working Ambulance in-service and available for calls.
- e. **Only Ambulances that are operating under the Laurens E-911 System and are responding to a 911 call dispatched by Laurens County's Dispatch Center can run**

- b. Provider must operate within the scope of approved SCDHEC medical protocols and under the Laurens EMS patient care quality controls so long as the County's requirements for a Working Ambulance and Standard Staffing for Ambulances are deemed satisfactory by the LAURENS COUNTY EMS Medical Control Physician.
- c. Provider shall make each Working Ambulance and personnel available for inspection by LAURENS COUNTY EMS Supervisory Personnel upon request. All ambulances, equipment, and personnel must be maintained satisfactorily concerning sanitation and cleanliness. All equipment must be in good working order and an adequate medical supply stock must be maintained. Any issues found that may hinder the unit from providing adequate care and transport will be reported to SC DHEC.
- d. Provider shall provide the LAURENS COUNTY EMS Infection Control Officer the contact information for their Designated Infection Control Officer. Documentation that blood-borne pathogens initial training and annual updates have been completed and the certificate for the Infection Control Trainer shall be provided to LAURENS COUNTY EMS Designated Infection Control Officer.
- e. Provider shall provide the LAURENS COUNTY EMS HIPAA Compliance Officer the contact information for their HIPAA Compliance Officer. Documentation that HIPAA compliance training is provided to all employees and a copy of the providers HIPAA policy shall be provided to Laurens County EMS.
- f. Provider's crews shall wear distinctive uniforms identifying the crew member and Provider while performing services under this Agreement.
- g. Provider and LAURENS COUNTY EMS shall adopt such additional, revised, or updated requirements as are applicable to EMS services in writing through mutual agreement and those shall be attached as an addendum to this Agreement.
- h. Provider shall comply with all rules, regulations, and standards of SCDHEC, EMS Mutual Aid Guidelines and all other governmental authorities applicable to EMS providers in providing services under this Agreement, including those of Laurens County. Any notification of non-compliance must be sent to County within twenty-four (24) hours.

Section 5. Insurance: Provider shall continuously maintain liability and other insurance coverage for the 911 emergency services provided under this Agreement in at least such amounts as are required by Laurens County or that are carried by Laurens County for such operations, whichever is higher. LAURENS COUNTY EMS may require Provider to submit written proof of such insurance every six (6) months on the insurance company's letterhead. Provider shall provide to LAURENS COUNTY EMS valid, updated insurance information on the insurance company's letterhead upon any change in Provider's insurance coverage.

Section 6. Indemnification: Provider shall indemnify and hold harmless Laurens County for and from any and all actions, suits, liabilities, damages, expenses and claims (including but not limited to all attorney's fees, costs, settlements, judgments and other fees) arising from any and all acts, omissions, activities, and statements, whether negligent, willful or otherwise, by Provider, or its employees or agents while performing services under this Agreement. This provision shall survive the termination of this Agreement.

Section 7. Independent Contractor: Nothing in this Agreement shall be construed as establishing an employment or agency relationship between Laurens County and Provider or Provider's employees, agents or crew members, or an agency or joint venture relationship between Laurens County and Provider. Provider is an independent contractor and is providing services under the Agreement directly to the persons served by it.

Section 8. Service Area: LAURENS COUNTY EMS assigns Provider the Primary Service Area to provide services pursuant to this Agreement, which assignment is not exclusive. Laurens COUNTY EMS reserves the right to restrict the number of participating providers.

Section 9. Term: Agreement shall be for a term of one (1) year from the date of this Agreement, unless sooner terminated (a) without cause by LAURENS COUNTY EMS or Provider giving at least thirty (30) days written notice that the Agreement is being terminated or (b) for cause by Laurens County giving Provider at least ten (10) days written notice of such termination due to Provider's default or breach in complying with the provisions in this Agreement.

WHEREAS, each party has caused this Agreement to be signed by its authorized representative on its behalf under seal.
